

Dear Ashok and Shoba,

The convention is the most memorable in recent years. You both worked hard and made this convention very enjoyable and successful. The venue was excellent. From the registration desk to the last day of the breakfast, every event has been carefully planned and executed with personal touch. The entertainment programs were done professionally and really tastefully. The CME lectures are very useful and diversified. The small details like projection on the screen, the details of the speakers, awardees and special guests, raises the quality of the convention. The river cruise and dinner was unique. It was amazing to see Shoba went to every table and made sure that everyone was happy and eating well

I forgot to mention about the very delicious and variety of the food served in the convention.

Hearty congratulations
to ATMA Team Florida under the leadership of Dr Ashok Kumar and his wife Mrs Shoba Ashok. Kudos to you all for the job well done.

Aside from the great effort to conduct all aspects of prior ATMA meetings, its most impressive to see the number of active and young Tamil doctors came to the meeting. Hope this trend started by Dr Ashok Kunar and team Florida will continue with efforts of all of us.

This infusion of interested young physicians who were sparked to come towards us by the vision and mission of ATMA gives greatest hope, that ATMA will continue to grow in future.

Hope Mrs. Sudha Seshyan's song of predicting a bright future will come to fruition by more hard work by all.

Deeptha and I have attended all but two (one was virtual) of the ATMA Conventions since 2005, and it should go on record that the recent Convention Organized by Dr. Ashok Kumar And Mrs. Shoba Kumar, is one for the books , the local weather notwithstanding, And we had a pleasant time with all the attendees, and enjoyed their Camaraderie : CME, was well thought out and conducted, the ambience was extraordinary (despite the name 🤔 🤔 🙌 🙌) meal's sumptuous , and quite a briefing and presentation by Dr. Sudha Seshiyyan and the key note address by Sowmya Swaminathan, Outstanding Entertainment that at the end kept us on the dance floor, and my special thanks to all the Organizers, Committee members and all those authors who exhibited their interest in the Souvenir , along with the advertisers, and it is our fervent hope that this kind of Enthusiasm continues and grows with more members and their spouses and families attending the future events , and to support the mission of ATMA. (We even shrugged off the adverse event that has been preoccupying our lives for the last two years). Kudos to Ashok & Shoba . 👍👍🙌🙌

Dr.Nedunchezian Sithian

I fully endorse the above and say big Thanks to Ashok , Shoba and all Floridians who helped. Also thanks to all the attendees!! 🙌🙌

Dr.Deeptha Nedunchezian

Thanks to Ashok, Shoba and Kayal for organizing the ATMA in Miami, FL. Glad, I attended. Enjoyed every bit of it from 18th Friday evening, through the entire weekend. The Veena and Tabla performance bringing up many old and new movie songs, relating to many of ragas of karnatic music, was something new, the entire audience participated and enjoyed second to second. After 2 hours, all felt it ended too soon. The 2 1/2 day CME was very educational. Topics and speakers were excellent. The next day cruise, dinner, shows and the last day banquet dinner and light music, gave the feeling like being in a remote island. All of these were in a hotel, watching the beautiful Miami Beach. It was an unique experience. Glad, I didn't miss it. Loved it💕

Ashok and Shoba, Thank you again🙏
